これまでのあらすじ

友人の秋山さんにネトゲ部のことを知られてしまったことで吹っ切れたのか、やる気になったシュヴァインとネトゲ部一同。そんな彼らの前に現れたのは、初対面なはずなのに何故かルシアンを知っている初心者プレイヤー。一体何者なんだ……？

ピッ
Sette
...BUT AS EXPECTED, I REALLY HAVE NO IDEA WHO SHIE IS.
うーむ

SHE CALLED MY NAME OUT EARLIER...

You said-

How do you know me? Have we met somewhere?

You'll help me when I'm in trouble.

HAHA
HA
You don't trust me- Wait, have you ever trusted me?
And on top of that, he's pointlessly showing off, lol.
Rusian-like.
It's something Rusian is very likely to say.
ポリポリ
I said something like that, huh.
Well, that's fine. The Magnificent Moi will especially look after you.
フフン
コクッ
So, Sette-san? Have you just started this game?
Yeah.
Hmm?
Hmph!
ﾌｯ

Sorry, I'm not used to the chat.
ぴぴぴ
Don't sweat it. Everyone is clumsy in the beginning, even with conversation.
フッ
After a year, you won't even need to look at the keyboard anymore.
Huh... I look at the keyboard when I'm typing even now.
You don't have enough practice then, lol. The Magnificent Moi mastered touch typing long ago.
EXCUSE ME

ゲホッ!
HEY, WHAT'S WRONG?

Beginners really should not power-level right after they start the game, right?
After she goes to the Metapeti area, and memorizes her combos, she can challenge the Goblin King with Ako's heals.
Heal!
Hey! Hey!
...Is that so?
Er, I don't think I have ever trained this easily before.

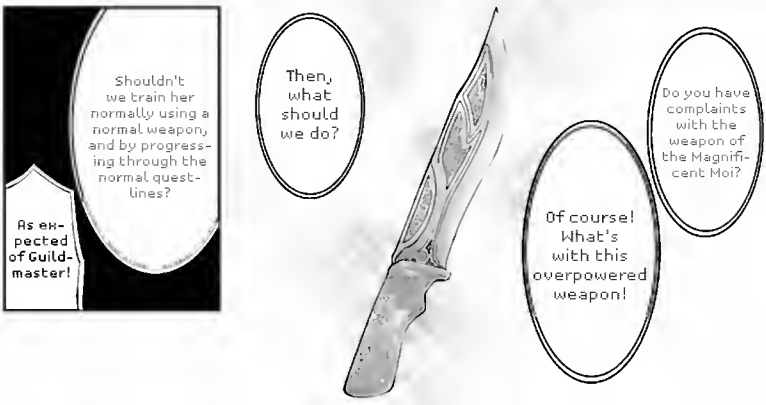
Trivia

Metal Petit Dragon
Or Metapeti for short.
It only has 5 HP, but its defence is excessively high, so it's a monster that gives a good amount of XP.A beginner can defeat it if they persevere and strike it 5 times, this way, they can level up tremendously quickly if they strike it while it's being tanked through ability usage.

Goblin King
Its attack speed is slow and it doesn't use any offensive skills, so unless you suffer an instant death, one can definitely win by being constantly healed.
It's another standard monster for leveling

The game's basics is to defeat an enemy with your own power.
Are you talking about me like I'm a failure!?
Ako has ended up like that now,
But I wanted to hammer the game's basics into her head using my own style.

ガタッ
Hey, wait, wait, wait!
Go sweep the enemies around here using this beginner's knife of heroes+9.



Shouldn't we train her normally using a normal weapon, and by progressing through the normal questlines?
As expected of Guildmaster!
Then, what should we do?
Do you have complaints with the weapon of the Magnificent Moi?
Of course! What's with this overpowered weapon!

ビッ
Yes, me, me!
ガん!
Why!?
I knew it, Guild-master is no good.
経験値超UP!!
If we buy a XP booster, she'll train very quickly.
It's a special occasion so let's enjoy the game more!
I must bring her to the place where I proposed to Rusian!
That's not...
Because you just wanted to go there...
I'm being ignored!?
So, as expected, a beginner...

Plus, this place is a great area for sightseeing, and has a great variety of enemies,
...You can memorize various enemy' traits,
And it's far, we have to go through various areas... But...
You can also register the warp points of various towns...
ビッ～
...Huh? It's unexpectedly a good idea?
Going around towns while sightseeing? I see, it may be appropriate.
I never thought I would agree with a suggestion from Ako...
I can't believe it!
With such a rare thing happening, using this luck, the Magnificent Moi wants a rare item to drop.
You should re-think your opinion of me from scratch!

You've gotten along well, huh?
We have gotten along well for a long time now.
we truly have an inseparable relationship, lol.
Your head is rotten.
No, it's your character.
Ooh?
Ah? Wanna fight?
They get along well lol.
ゴゴゴゴ
For the time being, it's decided, we're going on a sightseeing tour.

Sette-san, after this, we'll ride an airship, jump down into the sea midway, dive for about 5 minutes, then we'll stop by a place where there's this shrine, where we'll enjoy the resort on a nearby beach. From there, we'll get swallowed by the whirling tides, sucked up, and transported by a whale, eventually coming out of a dungeon found deep inside a graveyard. Then, via the Hell town's warp gate, we'll go to the highest cog-wheel in the mechanical city. From there, we'll jump to the very bottom.
I'll absolutely pass.

Why!? It'll be fun without a doubt! It won't be dangerous, it won't be dangerous at all! It's all right, it's all right!

AS EXPECTED, IT'S A GOOD THING! LUCK IS ON MY SIDE!
WH... WHAT'S GOING ON? SOMETHING GOOD HAPPEN?
WELL, NANAKO SAID SHE WON'T TELL ANYONE, SHE'LL KEEP SILENT.
WHEW! REALLY, THANK GOODNESS IT WAS HER.
MY SCHOOL LIFE WILL CONTINUE A LITTLE MORE!
BUT IF YOU'RE NOT CAREFUL, WON'T IT GET EXPOSED TO ANOTHER PERSON?
I CHECKED THE SURROUNDINGS THREE TIMES BEFORE ENTERING THE CLUB ROOM, SO IT'S FINE.
EVEN NANAKO WAS STRANGELY IN A HURRY, AND WENT HOME.
I HAVE TO CATCH UP ON MY TIME LOST, WHERE ARE AKO AND GUILD-MASTER?
AREN'T THEY ON CLEANING DUTY?

ガシャア
...IT'S A LITTLE FRIGHTENING TO IMAGINE AKO ON CLEANING DUTY.
WELL, SHE LOOKS UNRELIABLE, AND SHE ONLY MAKES MISTAKES.
ドーン
ドシャ
バシャアア

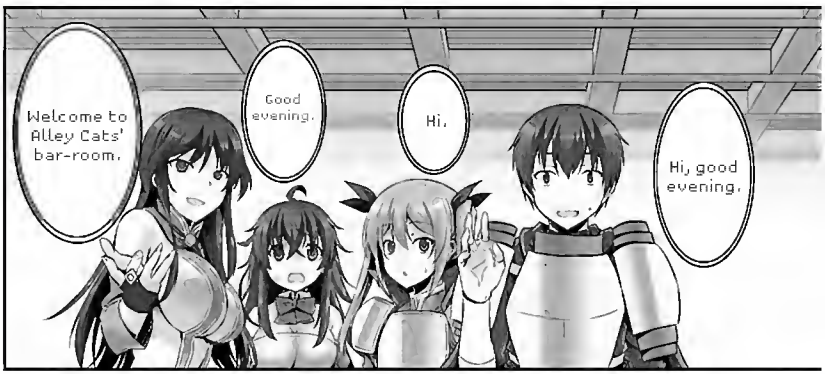
ずーい!
SAY RUSIAN, SHOULDN'T WE ENTRUST THE CLEANING TO SPECIALISTS!?

SORRY FOR BEING LATE.
SORRY FOR BEING LATE, I HAD SOME PERSONAL BUSINESS.

うガっ!
WELL, I DID COMPLETELY FORGOT ABOUT CLEANING DUTY THOUGH!
AAAH, DID THEY GET MAD?
TO SUDDENLY TALK TO THE INFAMOUS LONELY ME, THEY REALLY HAVE BAD MANNERS!
ANYWAYS, THE OTHER PERSON WAS ALSO IN THE WRONG!

I SAID "EEK!" FOR THE FIRST TIME IN MY LIFE.
ISN'T THAT A LITTLE CUTE?
うわぁ！
DON'T WORRY, I GOT HIT BY THE "YOU CAN GO HOME FIRST" DOT SKILL
CAUSED BY THAT FAKE CONCERN OF THEIRS.
THEN LET'S FORGET EVERYTHING AND PLAY.
THERE'S ONLY LA FOR ME.
カシャ
カシャ
Good evening.
ざわ…
Huh.

SHE'S HERE AGAIN.
RATHER, SHE'S YOUR ACQUAINTANCE AFTER ALL?
NO, I HONESTLY DON'T REMEMBER HER.



Welcome to Alley Cats' bar-room.
Good evening.
Hi.
Hi, good evening.

THAT'S ALSO A LITTLE...
WILL WE IGNORE HER AND GO HUNT SOMETHING?
ENOUGH ABOUT THAT, WHAT SHOULD WE DO?
That's not a bar-room, and that's not our place.

You came today too.
Because I didn't know what to do.
AS THE NET GAMING CLUB, I WANT TO BE AFFECTIONATE WITH PLAYERS FROM THE SAME NET GAME.
I WAS ESPECIALLY MOTIVATED... BUT SHOULD WE HANG OUT WITH HER?
THEN LET'S HANG OUT WITH HER A LITTLE.
Yeah, should we practice fighting a little?
Follow me, we'll go to a place with moderately strong enemies.
So go face them and practice basic actions.
Huh?
What's wrong? Ako, you have at least practiced the basics... Hey, don't tell me...

N- No, I haven't done that.
As the guildmaster, I may need to coach the members...
Guild-master! Please don't take it seriously!
It's true, I haven't seen Ako use any restoration combos.
Shush you!
The basics are: the normal attack, the guard, the counter, and the smash technique.
They are few, but you'll also fight using a ranged type's long distance ability.
ピッ
Erm, Sette-san's character is a short-range type.
Like Schwein's and mine.

アタック!!
For the time being, strike using a normal attack, and guard when the enemy is about to counterattack.
Did you just say 'only'?
There are other various things, but for the time being, if she memorize just that, she'll be fine for a while.
If it's casting something from far away, a long distance attack is the only option.
Counter when it's about to attack with a short-range skill, smash it if it's defenseless.
スマッシュ!!
But limiting yourself is bad, isn't it?
Right, I'm fine with only one thing per day.
Rather, you wanted to say she won't remember everything in one go, right?
Alright, then for now, try to defeat this wolf properly.
Do you understand how to use the controls? Like the button to use skills...

DIE!!!

ぺちっ

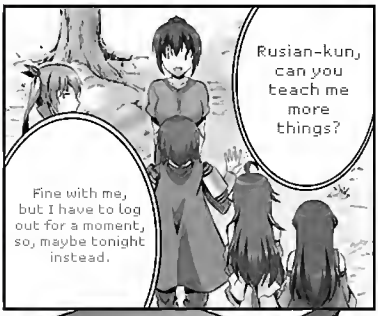
There's a small possibility that she'll eventually be slightly better than me.
That person has good game sense, unlike Ako.

Ako, just stay focused with only healing.
Your level is too great, so it'll die in one hit.
Uuuuuugh

Attack, guard, and use an attack skill when you see a gap. If the enemy is preparing something, immediately counterattack.
If you change your weapon, it will be over with the first skill attack.
With a microtransaction, a powerful technique can be used from the start.
You guys be quiet a little.
After that, with these patterns in mind, probe the enemy's movements.
Think about the next skill's properties, and include it into a combo.
Thanks Rusian-kun.
Rusian-kun's way of teaching sure is good.
Why are you saying that like it was unexpected?
I think it's a bit cool that you're really teaching me properly.
Please don't make eyes at Rusian!

IT'S FRIGHTENING TO TALK WITH STRANGERS...
IF YOU FEEL UNEASY, LOOK AFTER HER.
ULULIGH, BUT...
DON'T BE JEALOUS AT EVERYTHING.
EVEN THOUGH I'M ALSO FINE.
RATHER, IT'S WEIRD THAT SHE GOT ATTACHED TO ONLY RUSIAN.
Pft!
If you like, The Magnificent Moi can teach you personally?
The Magnificent Moi can coach you better,
Th- That's not it, really!
Are you perhaps picking a fight? Hah? Then let's fight!
Why are you reacting like that each time the Magnificent Moi speaks?
ズイッ

As expected, I prefer Rusian-kun, he's reliable and kind.
.....Tsk



Rusian-kun, can you teach me more things?
Fine with me, but I have to log out for a moment, so, maybe tonight instead.

Ako, did you click your tongue?
...Really?
I didn't.

ARE YOU THE TYPE WHO LIKES TO BE LIKED BY BEGINNERS?

BUT I COULDN'T REFUSE WHEN SHE SAID THAT.
ガタッ
HUH? YOU'LL HANG OUT WITH HER TONIGHT TOO?

THEN I'LL ALSO DO THAT.
I'D FALL INTO BAD SHAPE IF I DON'T CAST SOME STRONG MAGIC ONCE IN A WHILE.
ARE YOU IN A BAD MOOD?
HE'S ANNOY-ING.
THEN DO AS YOU LIKE, I'LL HUNT ALONE TONIGHT.
THAT'S...
BUT HER ACTION IN FLATTERING THE PERSON THAT SHE HAS CONFIRMED TO BE THE GROUP'S CENTER, IS CLOSE TO THAT OF THE TYPE OF PEOPLE WHICH I DISLIKE.
I DON'T REALLY DISLIKE HAVING FUN WITH BEGINNERS...
BUT, ALLEY CATS WAS ALREADY IN A SITUATION OF DISBAND-MENT.
IS THIS ALREADY THE NET GAMING CLUB'S END...?
IT'S BEEN ONLY TWO DAYS SINCE A PERSON FROM OUTSIDE OUR GUILD APPEARED.
I'LL BE TOGETHER WITH RUSIAN!
OKAY.
